Certificate of Accreditation

Confirming Ethical Airfare Pricing by the Corporate Travel Agency

We certify that, as the result of a detailed and thorough auditing process

Corporate Travel Management, Australia

has demonstrated that it does not systematically apply arbitrary mark-ups to the airfares that it provides to its clients. The accreditation has the following scope.

Awarded On:	27 th November 2017
Valid Until:	26 th November 2018
Booking Locations:	Australian National
Fare Types Audited:	Domestic and International
Booking Types Audited:	Online and Offline
IATA Numbers Audited:	02305295, 02350622, 02351705, 02352711

The Airocheck FairFare audit checks for discrepancies between the corporate agent's invoice ticket amounts and those obtained from the source IATA data which shows the actual fare amounts as charged by the airline. A large random sample of tickets is taken. Discrepancies are checked for cause. Only those that are demonstrably proven to have legitimate other causes are deemed to be valid and not mark-ups.
